Thank you for your interest in Boulevard Presbyterian Church Preschool as we begin our 67th year of serving the Tri-Village Community with quality preschool experiences open to all denominations for our preschool children and their families. We are proud to be an outreach of Boulevard Presbyterian Church. Registration is now open for the 2026-2027 school year and if you have a child who is eligible for preschool beginning in the Fall of 2026, the enclosed information will be of interest to you. I understand that this may be your child's first school experience, and our staff strive to make this introduction to school a positive experience for your child and your family. We place a strong emphasis on the family-school relationship. We want to work together with you in the best interest of your child. The friendships, relationships, learning habits, and social skills your child begins to develop during these preschool years will be a foundation for their future school experiences. Play is an integral part of our daily program. Children are encouraged during free play to explore a variety of creative experiences. Play fosters a child's social and emotional growth and development as they learn to become a part of a group and a caring community. Many hands-on activities to develop small motor skills as well as art, science, and dramatic play are included in a preschool day. An outdoor play area with climbing equipment, as well as an indoor activity room, promotes large muscle development. Language and readiness skills are fostered through sharing, songs, stories, finger plays, table toys and group activities. Math skills are developed through calendar, counting, matching, number puzzles, sorting, and group activities. As we start our 67th year of serving the community we welcome you to come and visit our program. Thank you for your interest in Boulevard.
